About This Content

A-10C: Stone Shield is a story-driven campaign that puts you in the cockpit of an A-10C Warthog as a USAF pilot assigned to the 445th Air Expeditionary Wing. In 2015 Abkhazia, South Ossetia and Russia have announced the start of the "Caucasus-2015" military exercise. Intelligence analysis later reveals that the exercises is actually cover for Russia forces repositioning to the Abkhazian territory and further escalating tensions in the Caucasus region. The 445th Air Expeditionary Wing and the 6th mechanized brigade have been deployed to Georgia as a response by NATO to counter Russia's military aggression against its peaceful neighbor.

Prepare yourself to face with the following tasks:

- Providing precision airstrikes against enemy targets
- Supporting Special Ops teams in tracking down and capturing dangerous militants
- Providing on-call close air support for friendly forces and much more

This campaign requires DCS: A-10C Warthog

The A-10C: Stone Shield campaign offers you a variety of challenging missions in which you must not only act as a tank killer, but also operate as a sniper making one shot and one kill engagements.

Please note that this DLC uses Steam Keys instead of Starforce keys. As such, this purchase cannot be activated on the DCS World e-Shop version.

DCS is without a doubt one of the best flight simulators on the market. If you are looking for a combat flight simulator and you think your ready for the effort of flying the A-10C then buy everything they have for it. I have not been disapointed yet. Building my home cockpit, and looking forward to more indepth action from this maker. I do wish you would work on the radio systems and incorporate them into the A-10C, yes I understand they work with a plug-in such as Simple Radio. For such an awesome sim, voice and a bit more money on the voice over interaction and nothing would touch this game for years. Until you remaster it and give us DCS World fans more to love. Keep up the good work look forward to all you have with the A-10C.
