
Focusing on Grammar 4/4th Edition is an excellent book for intermediate-level ESL students. It focuses on the advanced rules of English grammar, showing you how to use them correctly. This book is packed with exercises that will give you the chance to practice what you've learned and improve your skills. There are also plenty of examples to help you learn how to use these skills in writing essays and letters. If it's time for your student to move up from the beginner level, this should be one of their first choices! The answer key includes all exercises but does not include any explanations or other support materials.
